## Article 5 - ORGANIZATION AND RUNNING

These Supplementary Regulations have been prepared and the event will be organized in accordance with the International Sporting Code, the National Sporting Regulations, the Off-Road Regulations, the Supplementary Rules and the other provisions of the Automobile Club Sport of Italy, according to which what is not specified in the following articles is meant as regulated. The Organizing Committee will ensure that the event has all the required administrative authorizations to become integral part of the Inspection and Homologation Circuit Report. The Organizing Committee reserves the right to provide timely Bulletins to all the drivers about all relevant matters and clarifications for the best application of these Regulations.

By registering for the event, each competitor declares for himself and for his drivers, employees and staff to acknowledge and accept the provisions of the National Sporting Code (and its Supplementary Rules) as well as these Supplementary Regulations, and agree to comply to them and ensure others comply with them; to agree to solve any controversy with the Organisation or related to the running of the event, using the methods and terms provided by ACISport and to waive the right to involve any other judicial authorities than the sporting authorities, in order to defend his/her rights and interests as well as those of his/her drivers, employees and staff; to relieve from any responsibility the Automobile Club d'Italia, the Organizer and the Organizing Committee along with all the persons in charge, the Automobile Clubs involved in the event, the Officials, the Clerk of the Course, the Safety Officer, the owner / manager of the track hosting the race, for any damage or injury suffered by the competitor, his/her drivers, employees or staff, and for any damage caused to third parties or property by the competitor, his/her drivers, navigators, employees and staff.

**Art.6 - INSURANCE**

The entry fee includes the insurance premium which guarantees the civil liability of the competitor towards third parties. The Organizer, as holder of the sporting license and as underwriter of the insurance policy, adheres to the sports regulations in force. In this context he confirms that he is fully aware that the civil liability policy, mentioned in Article. 56 of the RSN, responds to the requirements of the art. 124 of the Insurance Code and does not raise the Competitors and Drivers from any liability they may incur outside the framework of the object and additional general and special conditions of the policy as published on the Federal website and that may be required to the Insurance Company

The Organizer may decide to enter or not into a policy to cover damages between drivers.

NO DAMAGE INSURANCE BETWEEN DRIVERS

YES DAMAGE INSURANCE BETWEEN DRIVERS

**Article 7 - COMPETITORS AND DRIVERS**

Competitors and Drivers holding the following valid licenses are allowed to participate:

Stewards may, in their sole discretion, not admit or exclude from the event those cars that don't provide for sufficient guarantees of suitability and safety (on the advice of the Technical delegates).

## Art.12 - THE RACE

### 12.1 BRIEFING

The absence at the briefing will result in a fine equal to the entry fee. The Organizer will transfer this to the Automobile Club of Italy Sport, within 48 hours after the event.

### 12.2 TIMED OFFICIAL PRACTICES

The timed practice sessions will be 2, the first in numerical order and the second in reverse order.

A max. of 6 cars are allowed on the track.

Each of the timed practice session will have a minimum of 4 laps, from the time that the car will cross the finish line all laps will be counted.

The best lap time from the best qualifying will determine the starting position on the next heats.

In the event of a tie, it will be considered the second best time of the two or more drivers.

Each driver must complete at least one lap in qualifying.

Should the driver be unable to attend the qualifying, he may be authorized to participate in the first heat, at the discretion of the stewards, after having heard the Clerk of the Course.

### 12.3 COMMON RULES FOR QUALIFYING HEATS, SEMI-FINALS (where necessary), FINAL AND STARTING PROCEDURE

The starting grids for the heats and finals will consist of 10 cars divided in four rows according to the 3-2-3-2 pattern. In special cases, the Clerk of the Course can modify the starting grids of the heats and finals in their compositions, such changes will have to be brought to the attention of all participants to the event, with appropriate modification to the Supplementary Regulation of the event, or by Bulletin.

The above changes should be brought to the attention of the drivers, in a clear and precise way during the briefing with the Clerk of the Course. In all of the starting grids drivers who has pole-position has the right to choose, directly on the grid, the starting position in the first row.

If in this way, the driver having the right to the second position will in turn choose one of the remaining two positions. This choice will be also for the second, third and fourth line, but he will not change the line. Starts will be by green flash light and showing a 5" board.

Any false start will be penalized as follows:

According to FIA regulations

Cars unable to leave with the starter onboard systems, will be excluded from the heats or the final.

#### **12.4 QUALIFYING RUN – LAPS: 5 (Indicate the number of laps)**

Running of the event according to FIA regulations.

There will be three qualifying heats:

- 1st heat according to the classification of the qualifying;

### **Art.13 - SIGNALS**

During the entire event, the signals will be in conformity with Appendix "H" to the Code; all the drivers are required to observe them scrupulously.

### **Art.14 – FINISH LINE**

Should the end of race signal be displayed inadvertently or otherwise before the leading car completes the scheduled number of lap, the race will be considered ending at the time the chequered flag has been shown.

Should the end of race signal be inadvertently delayed, the final classification will be established according to the real positions at the time of end of the race as provided for in the Supplementary Regulation. When the chequered flag will be exposed to a competitor which is not the first, the signal will be considered as deferred announcement of arrival and the results of the race will be determined as if the chequered flag had been exposed to the leading car.

**Art.15 - PARC FERME'**

At the end of the finals all cars that took part in it must be immediately brought to the Parc Fermé and made available to the Stewards.

The failure or delay in delivery of the cars will lead to exclusion from the classification. Inside the Parc Fermé, where only the Officials can access in, it's forbidden any repair or maintenance work. The cars will be withdrawn after the expiry of the claim terms and only with the permission of the Clerk of the Course.

After the opening of the Parc Fermé, it will not be monitored by the organizer.

**Art.16 - RESULTS**

Each result will be posted on the official notice board within 30 'from the end of the race to which it refers.

The results will be definitive 30' after their posting; in case of changes, 15 'after the communication of these changes.

**Art.17 - CHECKS AT THE END OF RACE**

Competitors will be required to submit the cars to the technical and weight checks, however asked by the Stewards. A refusal to such request will result in exclusion from results.
