VII. MORE DETAILS

Supplements ZU - explanation

7.1 In accordance with Article 3.6 of the ISC, no changes may be made to these Regulations after the start of acceptance of applications, unless there is a unanimous agreement of all competitors, or by decision of the RŠK for reasons of force majeure or security.

8.2 All other information for competitors, which will be an integral part of these rules, will be published in the form of numbered bulletins on the official notice board on yellow paper.

Course of the race

Warm-ups and two timed practices will be organized. Only one for SAP drivers. In each training run is max. 6 vehicles on 4 laps since the first vehicle crosses the finish line, all laps are measured. Every competitor is obliged to take part in the timed practice.

The riders will be debated before the second measured practice.

Qualifications:

3 series of qualifying races will be organized. Each ride goes to 5 laps. Only those racers who have started in at least two runs and who have completed at least one run are classified in the semi-final and final races. To start means to cross the starting line with the engine power of your own vehicle.

Semi-finals and finals: The semi-finals are for 6 laps, the final for 7 laps.

Start:

At the beginning of the process, a 5-digit table will be shown (5 seconds to start). Then, it will be started by turning on the green light.

The Slovak Autocross Cup is run according to the MSR Sporting Regulations.

1. Closed parking

Cars that have participated in the final (not semi-finals) must be placed in a closed car park immediately after the final run, except for vehicles that did not finish for reasons other than engine problems. Cars must remain in the car park for at least 30 minutes after the publication of the preliminary results. UP is dissolved only on the basis of RŠK decision. It is forbidden to make any repairs to the vehicle or to refuel in UP. Riders showing a black flag must return to the depot and not to the UP. Closed parking will not be for SAP alone.

2. Results:

The results of each ride will be displayed as soon as they are complete. The composition of the final races will be

posted before the start of the finals. The final classification is compiled according to the achieved ranking in the final runs. All results will be posted on the official notice board.

3. Protests and appeals:

Any protest must be made in accordance with the valid MEYS, must be submitted in writing and delivered to the Clerk of the Course or his deputy, in their absence to the Stewards, together with the respective financial amount.

1. Fire extinguishers:

Every rider must be visibly located in the parking area of the racing machines at his place of standing fire extinguisher with a minimum capacity of 5 kg.

2. Pollution of the environment:

Each rider must have a foil of at least 4x5 m under the vehicle on which he can carry out repairs to the vehicle in order to prevent oil and other pollution.

3. Rider contact officer:

Officer for contact with riders Bc. Ivan Púpala will stay during the whole race in the parking area of the racing machines, at the entrance to the track, in the start area, attending meetings Stewards. The official will be marked with a yellow vest and his photograph, the exact movement plan will be posted on official whiteboard.

4. The organizer provides for the competitors the connection to the electricity for a fee 20, -Eur, which is included in the starting fee.
