Insurance contract:

## **VI. NOISE CONTROL**

All vehicles must comply the noise limit of 100 dB.

## **VII. PRIZES AND TROPHIES**

The ceremonial will take place after the end last final race. Each driver finishing on the 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> places must be present on the prize giving ceremony dressed in racing dress.

**No financial rewards will be paid.**

## **VIII. OTHER INFORMATION**

### **8.1 Running of the event**

#### **Warm-up & timed practices**

Race weekend will begin with Warm-up followed by two time-practice. Riders registered in to **Slovakian Championships 2020** have only **one timed practice session**. Number of cars in

each timed practice is limited to max. 6 vehicles. Each timed practice consists of 4 laps, counting starts from the first vehicle crossing the finish line, all laps are measured. Every competitor is obliged to participate in timed training.

Before the second timed training, there will be a discussion with the riders.

### Qualifications heats

There will be total 3 qualification heats. Each heat does consist of 5 laps. Only those competitors who have started (to start means to **cross the starting line by the engine power**) in at least two heats and who have completed at least one race can be classified for the semi-final and final races.

### Semi-finals and finals

The semi-finals duration is 6 laps, the finals duration is 7 laps.

### Start procedure

At the beginning of the process, a **white board with the black number 5** will be shown (5 seconds to start). Race will be started, by turning on the **green light** within 5 second period.

### **8.2 Parc fermé**

Each car which raced in finals (not semi-finals) **MUST** go to the Parc fermé right after crossing the finish line. All vehicles that have started race but did not finish the final race due mechanical engine problems/failure, must be also taken to parc fermé. All cars must stay in Parc fermé for **period of 30 minutes after the provisional results** will be on Official notice board. Parc fermé is dissolved only after a steward's decision. It is forbidden to repair the or refuel a vehicle in Parc fermé. Riders who have been shown a black flag do not have to go Parc fermé. Closed parking does not apply for the Slovak Championships.

### **8.3 Results**

The results of each ride will be posted as soon as they are completed. The composition and standing order for the finals, will be posted before the start of the final race. The final classification is compiled according to the achieved order in the final races. All results will be posted on the official notice board.

### **8.4 Amendments – Interpretation**

In accordance with Article 3.6 of the Code, no changes may be made to these regulations after the start of the acceptance of entries, unless there is a unanimous agreement of all competitors, or based on a decision of the race officials for reasons of force majeure or security.

All other information for competitors, which will be an integral part of these rules, will be published in the form of numbered bulletins on the official board on yellow paper.

### **8.5 Protest – appeals**

All protests will be lodged in accordance with the provisions of the MŠP FIA item 13. Time for lodging protests against the results or the classification (Article 13.4.4 of the ISC FIA) is within **30 minutes after the results on the official notice board**. The deposit for protests is 500 € and is payable with the filing of protest to the Clerk of the Course. The deposit will be refunded only if the protest is upheld. In the case of protest requiring the dismantling of the

vehicle, the estimated cost determined by the Steward shall be paid in deposit. The deposit must be paid within the period specified by the stewards in order to carry out checks.

Deposit for the National court of appeal of the Slovak ASN is 1.340 €.

### 8.6 Fire Extinguishers

Each driver is responsible for ensuring that a single piece extinguisher of minimum 5 kg is available within his own team area inside the paddock.

### 8.7 Protection of the Environment

Each driver is requested to ensure that a plastic sheet (minimum 4 metres by 5) is spread on the ground in the place reserved for his team where work is to be done on his car, in order to prevent any pollution in case of an accidental leak, etc

### 8.8 Driver Liaison Officer

Driver Liaison Office for this race is Ivan Pupala. He can be reached in driver's paddock close to entrance to the track during all the championship or will be on main tower. The Drivers' Liaison Officer will be recognisable as his picture will be posted on the Official Notice Board.

**Phone num.:** +421 948 201 425
